# **Inclusion: Equality and Diversity Policy**

## **Statement of intent**

Our nursery is committed to providing equality of opportunity and anti-discriminatory practice for all children and families.

## **Aim**

We aim to:

- provide a secure environment in which all our children can flourish and in which all contributions are valued;
- include and value the contribution of all families to our understanding of equality and diversity;
- provide positive non-stereotyping information about different ethnic groups and people with disabilities;
- improve our knowledge and understanding of issues of equality and diversity; and
- make inclusion a thread which runs through all of the activities of the nursery.

The legal framework for this policy is:

- Equality Act 2010
- Children Act 2004
- Care standards Act 2002
- Childcare Act 2006
- Special Educational Needs and Disability Act 2001

## **The nursery and staff are committed to:**

- Recruiting, selecting, training and promoting individuals on the basis of occupational skills requirements. In this respect, the nursery will ensure that no job applicant or employee will receive less favourable treatment on the grounds of age, sex, gender reassignment, disability, marriage or civil partnership, race, religion or belief, sexual orientation, offending background and pregnancy or maternity which cannot be justified as being necessary for the safe and effective performance of their work or training
- Providing a childcare place, wherever possible, for children who may have learning difficulties and/or disabilities or are deemed disadvantaged according to their individual circumstances, and the nursery's ability to provide the necessary standard of care

- Striving to promote equal access to services and projects by taking practical steps, (wherever possible and reasonable) such as ensuring access to people with additional needs and by producing materials in relevant languages and media for all children and their families
- Providing a secure environment in which all our children can flourish and all contributions are valued
- Including and valuing the contribution of all families to our understanding of equality, inclusion and diversity
- Providing positive non-stereotypical information
- Continually improving our knowledge and understanding of issues of equality, inclusion and diversity
- Regularly reviewing childcare practice to ensure the policy is effective and practices are non-discriminatory
- Making inclusion a thread, which runs through the entirety of the nursery, for example, by encouraging positive role models through the use of toys, imaginary play and activities, promoting non-stereotypical images and language and challenging all discriminatory behaviour (see Behaviour Management policy).

### **Admissions/service provision**

The nursery is accessible to all children and families in the local community and further afield through a comprehensive and inclusive admissions policy.

The nursery will strive to ensure that all services and projects are accessible and relevant to all groups and individuals in the community within targeted age groups.

### **Recruitment**

All members of the selection group will be committed to the inclusive practice set out in this policy and will have received appropriate training in this regard.

Application forms will be sent out along with a copy of the equal opportunities monitoring form. Application forms will not include questions that potentially discriminate against the grounds specified in the statement of intent.

At interview, no questions will be posed which potentially discriminate against the grounds specified in the statement of intent. All candidates will be asked the same questions, and members of the selection group will not introduce nor use any

personal knowledge of candidates acquired outside the selection process. Candidates will be given the opportunity to receive feedback on the reasons why they were not successful.

### **Staff**

It is the policy of Bambino Ltd not to discriminate in the treatment of individuals. All staff are expected to co-operate with the implementation, monitoring and improvement of this and other policies. All staff are expected to challenge language, actions, behaviours and attitudes which are oppressive or discriminatory on the grounds as specified in this policy. All staff are expected to participate in equality and inclusion training.

### **Training**

The nursery recognises the importance of training as a key factor in the implementation of an effective Equality and Diversity policy and this forms part of the induction procedure for all staff.

### **Early learning framework**

Early learning opportunities offered in the nursery encourage children to develop positive attitudes to people who are different from them. It encourages children to empathise with others and to begin to develop the skills of critical thinking.

We do this by:

- Making children feel valued and good about themselves
- Ensuring that all children have equal access to early learning and play opportunities
- Reflecting the widest possible range of communities in the choice of resources
- Avoiding stereotypical or derogatory images in the selection of materials
- Acknowledging and celebrating a wide range of religions, beliefs and festivals
- Creating an environment of mutual respect and empathy
- Helping children to understand that discriminatory behaviour and remarks are unacceptable
- Ensuring that all early learning opportunities offered are inclusive of children with learning difficulties and/or disabilities and children from disadvantaged backgrounds

- Ensuring that children whose first language is not English have full access to the early learning opportunities and are supported in their learning.

### **Food**

- We work in partnership with parents to ensure that the medical, cultural and dietary needs of children are met.
- We will help children to learn about a range of food and cultural approaches to meal times and to respect the differences among them.

### **Meetings**

- Meetings will be arranged to ensure that all families who wish to, may attend.
- Information about meetings and activities will be communicated in a variety of ways according to individual needs (written, verbal and translated), to ensure that all parents have information about access.
