

HARPOLE DAY NURSERY

Sun Protection Policy

Aim

At Harpole Day Nursery we want children to enjoy the sun safely. We will work with staff and parents to achieve this through:

Protection

- Large umbrellas provide instant shade.
- In the summer months, children will spend more time playing outside before 11am and after 3pm, and less time outside over lunchtime.
- We actively encourage all children to wear a hat when playing outside between May and September.
- There are a supply of nursery hats to give to children who forget their own.
- Our parents' registration form asks for permission for staff to apply suncream to children.
- Parents are asked to supply their own clearly labelled bottle of suncream to keep at nursery or in their child's bag.
- We have a supply of suncream to apply to children who forget their own.

Education

- Children take part in a variety of activities to reinforce the message of being safe in the sun eg stories, painting sun-smart pictures etc
